

By Helping us, you're helping them!

**So Be a Part of our Radio-thon on September 10th
at the Cowan Civic Center 6 a.m.—5 p.m.**

The Lebanon Office of the American Red Cross, in conjunction with KJEL Radio, is having a Radio-thon to raise money for the Lebanon Office of the Red Cross Emergency & Health and Safety Services.

Get your business (and your employees) involved by making a donation. Come by the Cowan Civic Center & present your contributions. Talk live on the Air while showing your support of the Red Cross.

Your donation can help the victims of hundreds of local disasters that happen in our community each year—disasters like home fires, floods & winter storms. It will also help the Lebanon Office of the American Red Cross get messages to our men and women serving our country in the armed services as well as allow the Red Cross to help families suffering from disasters all over the United States by supporting the Hotline response. Your generosity will let the Red Cross offer our community the chance to learn first aid, CPR, babysitting expertise and other health and safety skills that will help keep all of us safe.

Your gift can ensure that the Red Cross will continue to fulfill its mission of helping people prevent, prepare for and respond to emergencies 24 hours a day, seven days a week. **Our community goes to great lengths to help people in need...and we need your donation at our Radio-thon on September 10th.**

For more information or to schedule your on-air donation, please contact Beverly Miller, Executive Director of the Lebanon Office, at 664-0141.
